### TAC-30

[to colleague](#)

[PDF version](#)

Protection, mobility and comfort are the keys to our GH TAC-30. Designed with a modular pouch grid system, the GH TAC-30 can be customized to fit any officer's specific needs. The base version can be upgraded to include shoulder, bicep, throat and neck enhancements, as well as a variety of pouches.

#### Standard Features:

- Removable cordura shell
- 10"X12" front and back plate pockets
- Modular snap/velcro grid or MOLLE system for pouch attachment
- Office-down drag strap
- 4" internal cumberbund

#### Optional Features:

- Shoulder, bicep, collar enhancements
- Throat guard
- Removable groin protector
- Level III and IV plates
- Wide variety of pouches
- Colors: Black, Olive Drab, Tan
